Positioned assigned officers instead of set up department	/	0%	0%	3%	0%	2%	5%	5%	4%
Positioned concurrent appointed officers instead of set up department	/	0%	0%	0%	0%	7%	36%	63%	25%

Note: “Responsible departments for crisis management” are understood as departments where principle duty is to respond by the inter-agency coordination in regard to crisis management across agencies and bureaus at the time of incidents.

Note: The original data is provided by the Fire and Disaster Management Agency, “Survey of the General Crisis Management System in Local Governments” (unfinished).

Source: The revised title is based on the Fire and Disaster Management Agency, “White Paper on Fire and Disaster Management, 2014.”
